

Privacy Policy

Voluntary EMC Laboratory Accreditation Center Inc.(hereafter VLAC) declares that VLAC will strive to protect personal information based on the privacy policy formulated herein as follows.

1. Control of personal information

In operating our website, VLAC takes into account the need to protect the privacy of website users. Any personal information you provide will be handled properly within the scope of purpose of its use, in a manner consistent with the Act on the Protection of Personal Information.

2. Purpose of using personal information

On this website, VLAC may register personal information such as name, e-mail address, telephone number etc. at the time of customer inquiries, but these personal information will not be used for purposes other than the purpose of providing.
Personal information that VLAC has received from customers will be used for sending e-mails and documents as a response from VLAC, guidance of work and questions.

3. Limitations on Use and Release of Information

No personal information will be used or disclosed to a third party, unless a request for disclosure of information gathered by this website may be made in accordance with Japanese laws and regulations, unless the individual concerned has agreed to such use or disclosure, or unless there are other special reasons.

4. Security measures for personal information

VLAC has taken thorough measures for security in order to ensure the accuracy and safety of personal information,

5. Referrals of the principal

If you wish to inquire, modify or delete personal information of the person himself / herself, we will confirm that you are the principal and will respond.

6. Compliance with laws and regulations, norms and reviews

VLAC will comply with Japanese laws and regulations applicable to personal information VLAC possess as well as review the content of this policy as necessary and make efforts to improve it.

7. VLAC contact on the privacy policy
